## CLUB MANAGER'S REPORT

Looks like we have survived what Mother Nature had to offer this winter and most are more than ready to move on to spring. Let's hope no one ticks her off and we breeze on in to warm weather and sunny skies!

Shuffleboard is alive and well on Sundays in the Clubroom! The competition is strong and the atmosphere is fun! Sunday the doors open in the Clubroom at noon and the games begin at 1:00. We also have all the televisions on for golf, football (yes there still is football), basketball or whatever sport you would like to watch.

Trying something a little different for our St. Patrick's Corned Beef dinner this year, we're having it on a Sunday afternoon, March 15 at 3:00. Donation will be same as last year \$12.00. Clubroom will open at 12 noon and we will be offering a special or two. Might want to mark this one on your calendar, it's always a great meal and the food goes fast!

Grand Slam tickets are on sale now! You can purchase one from the bartenders in the Clubroom, or better yet, stop in to get a packet of 5 or 10 tickets to sell! Grand Slam is our largest fundraiser each year! Only 250 tickets are sold at \$50.00 each! Get in the Early Bird drawing on April 2 and have a chance to win \$500 and still be eligible for the big draw on April 25! The night of the big draw is always a fun night at the Post too!

Texas Hold'em is Friday, March 27 and Saturday, March 28. Another fun night at your Post and another fundraiser that is essential to your Post's continued success. Cards start at 7:00 on Friday and 1:00 on Saturday. Don't sit at home and be bored, come share in the action!!

Another major fundraiser for the Post is assisting in the parking lot at the Antique Show in Davisburg the first weekend in May and October. Rain or shine our crews have been there working and the Post has been rewarded very well for the effort. Sign-up sheets for the May dates are in the Clubroom! Please stop by and sign up, the task is much easier if we have more support!

Remember, your Clubroom is open Tuesday through Friday, 3:00 to 10:00, Saturdays 12 to 10:00 and Sundays 12 to 6! Stop in and see our great staff of bartenders! Our beers are some of the coldest around!! Hope to see your smiling faces soon!!

## VA updates the disability rating schedule for infectious diseases, immune disorders and nutritional deficiencies

As of Aug. 11, (2019) the U.S. Department of Veterans Affairs (VA) updated portions of the [VA Schedule for Rating Disabilities](#) (VASRD, or Rating Schedule) that evaluate infectious diseases, immune disorders and nutritional deficiencies.

The collection of federal regulations used by the Veterans Benefits Administration helps claims processors evaluate the severity of disabilities and assign disability ratings.

“VA is in the process of updating all 15 body systems of the VASRD to more accurately reflect modern medicine and provide Veterans with clearer rating decisions,” said VA Secretary Robert Wilkie. “By updating the rating schedule, Veterans receive decisions based on the most current medical knowledge of their condition.”

The complete list of updates to the rating schedule is available [online](#). Claims pending prior to Aug. 11, will be considered under both the old and new rating criteria, and whichever criteria is more favorable to a Veteran will be applied. Claims filed on or after Aug. 11, will be rated under the new rating schedule.

# Post 1008 Commander's Column

**Comrades & Auxiliary members,**

It's been another busy month here at our fine Post. Most recently we have again hosted the Fifth District meeting on Sunday the 16<sup>th</sup> of Feb. 1008 had an amazing turn out. A lot of people turned their heads to the yellow shirts when I announced that we had 18 people representing our Post. Good feeling.

The Executive Committee has voted along with membership to replace the oven in our kitchen and at the same time replace the seating in our bldg. Both very necessary for the continued rating we get for our rental facilities.

Our \$200 donations are starting to come in, which will be a great help. The August Beer Fest is starting to shape up, we'll know in about 45 days if it will be a go or not, depending on committed sponsors and such.

Euchre is going well, we now have Corn Hole that can be played indoors in this kind of weather and Shuffleboard is starting to shape up.

Donna Kelly will have thirty years of service to this Post this coming April.

There is more but I have limited space. See ya at the Post.

Mark Woods, Commander

## Honor Guard News

A word from the VFW Post 1008 Honor/Color Guard.

The VFW Post 1008 Honor/Color Guard activity has been rather slow the last couple of months.

We have only had 4 funerals, maybe, for three good reasons.

1. We haven't lost any of our comrade Brothers or Sisters lately.
2. Slow due to the weather conditions and arctic blast we have had lately.
3. Although, this could mean, we might have a busy spring as the weather turns favorable with cremations.

On another note, our rifle stock upgrade is coming along for our M1 Grand rifles. They are looking great, and it will improve our appearance during Honor Guard activities. Do they shoot better? That may be determined later!

The VFW 1008 Honor/Color Guard has been recognized as a Top-notch Honor Guard team in the State of Michigan. I want to thank all members of our team for the sacrifice and support they have all provided to receive this honor and for keeping us looking great for the services we provide for our community and fallen Brothers and Sisters. We always need volunteer help. You could be a member of this elite team by stepping forward to serve with honors. Contact myself, Ron Seaman or Mark Woods at the Post. Look forward to see you there!

# Quartermaster's Report

Comrades,

**FROM THE DESK OF THE QUARTERMASTER:** The Commander sent out a letter requesting financial support from the membership. Hopefully we get good response on that request so we can implement the changes we need to cut costs, improve our rental facility and make it more attractive to potential renters. This will improve our bottom line.

For those of you that asked if there is a list of new members, I have made one up and posted it on the bulletin board.

Good news! We have brought in 8 new members into our membership which resulted in achieving our 100% goal. Post 1008 is now at 103.56%. We have 2 potential new members in the wings for this month. A Big THANK YOU! to all those who had any hand in making this happen.

I sure enjoy working for this great team.

Bob Benson

# Service Officer Letter:

My fellow Veterans, Auxiliary Members, and other friends, I'd like to thank you all for making me your Veteran of the Year. That was a real stunner. I failed to notice my own Brothers in the audience. I will try to live up to my responsibilities as your Service Officer and fellow member.

Our Post was well received at the 5<sup>th</sup> District meeting this February. It scored high marks in retention of members, humanitarian projects and recruitment of new members. The latter are our lifeblood. Like those whom have gone before us, we have the job of being the examples to newer members. We need to be present at monthly General Meetings, to ask questions of our Officers should we have any, and to cast our votes on agenda items raised. This is how the VFW expects us to keep our mission of aiding veterans and their families operating.

Our elected Officers must have our support. If we don't bother to hear what they have to tell us; we are the weak links in this organization.

I am presenting copies of information on benefits that come from the Oakland/Macomb Service Officers monthly meetings. As I come by them, I will place such on the Information Rack in our Bar area. They are for your use. Read them over before coming to me with questions. Then, I will be happy to answer your questions. As always, if I don't have the answer at hand, I will get back to you.

If you have been receiving VA benefits, and have noticed worsening of your condition, let's get together and review your options regarding a possible increase in your compensation. As a Board Member of the Oakland County Servicemen's Relief Fund, I need your help in getting the word out that there is **emergency** financial aid available to Veterans. Life sometimes throws us curves we may not have anticipated. This Fund is designed to help with utility shutoff notices, food allowance, and the like. It does not cover mortgage or car payments. Those would fall under the Michigan State Veterans Relief Fund. I can advise in either case.
